The Sales Pitch

Cross the bridge to a modern golf membership..... and see what we have to offer!

What has changed?

Well, simply put, everything.

The evolution of golf spans every aspect from course layout, equipment, dress regulations, club rules, game formats, even the handicapping system. Golf in our current day is vastly different from what our previous generations experienced. While the game itself is the same, the way we play it has changed quite a bit. Using this change as a positive, we have put together a membership package that is different to what your used to, for the better.

\$5 social fees

Yep that's correct. Just \$5 social fees to walk our course as a member. Just make sure you still book in with us. And only after 1pm on Tuesday and Saturday.

Feeling competitive?

We run 18 and 9 hole handicapped competitions every day. In the modern world when you have little spare time, you can compete when you want. And we'll make it happen. If you like to participate in the club feel, the standard 18 hole medley competition days are Tuesday and Saturday.

18 hole competition fees as a member are \$20 midweek, and \$25 on the weekend.

9 hole competition fees as a member are \$15 every day.

A Golf Australia handicap is included.

Driving while driving?

Members discount cart hire fees.

\$30 for 18 holes, \$20 for 9 holes, every day of the year.

A little help?

Use of all practice facilities is included. A generous chipping green and putting green are a great way to tune up the short game. If you need some extra advice we employ professional golf instructors that have lessons available.

Invite your friends and colleagues to join you.

They will also receive a discount when they join you for a game.

\$45 per person midweek inc shared cart (\$65 RRP)

\$55 per person weekend inc shared cart (\$75 RRP)

The nineteenth hole.

Locker room access and shower facilities are available on a daily basis. We now offer a 10% discount in the Lovedale to make sure your post game recovery is better than par. With a variety of food options and a direct link to the Lovedale brewery, the new Lovedale is a great way to relax.
